Guapa

What is?

Guapa was first born from a personal experiment: transforming a geometric sans serif “à la Futura” into a charming postmodern deco design. It became a well-suited typeface for the word: from titles for magazines to book & record covers and packaging. The family consists in: one single weight, which is provided with [discretionary ligatures](#) and [alternative characters](#), [Swashes](#) forms and [Initials](#).

The Ornaments Series will be designed in the future, as well as a Cyrillic update. Guapa is fancy, delicious & fresh!
